Technical Bulletin

Subject: Engine, Repairing

Group: 13

Number: 05-02

Model(s): All with 4.2 L V8 (see Table Below)

2000 ▶ 2005

Date: July 21, 2005

Service

- Repair parts are available to service Crankshaft and Piston assemblies for some 4.2L V8 engines (see list on page 2 for engine applicability).
- Repair Manual now includes Repair Group 13 information for some 4.2L V8 engines (see appropriate Repair Manual section for engines listed below).

Parts in sub groups:

- For a list of available Crankshaft assembly parts for the engines listed below, see Main Group 1, Sub-Group 05.
 - For a list of available Piston assembly parts, for the engines listed below, see Main Group 1, Sub-Group 07.
- ◆ Additional parts and repair information will be added in the near future.

Tip:

Always check the availability of parts and repair information prior to performing engine repairs.
