Technical Bulletin

**Subject: Satellite Antenna Module, DO NOT Dismantle to Reuse
Painted Housing**

Group: 91

Number: 05-05

Model(s): All with Satellite Radio

2004 ►

Date: Apr. 18, 2005

Condition

When satellite antennas are being replaced the antennas are being dismantled to reuse the Painted Housing.

Service

◀ **DO NOT** dismantle the Satellite antenna to recover the painted housing.

Always paint the replacement module to match, and install as one unit.

Warranty Claims for antenna replacement will be denied if antenna is found to be dismantled.
